Prospect Evaluation

(Evaluation After Three Separate Visits)

We are pleased that you want to learn to teach the J&J Way. We are proud of the way we do things and are excited about passing our knowledge on to you.

_____ is a tremendously valuable activity in which to participate. And – for the right person-_____ can be as gratifying to teach as it is to learn.

You see, teaching is tremendously exciting for great teachers and real drudgery for others. We want great teachers at J&J's.

You are a Prospect:

At this time , you are what we consider a *Prospect*. That is, you have indicated an interest, and accepted our offer to make three visits . During these visits you will be asked to help a current J&J instructor teach a class. You will be evaluated by the _____ director and feed back from current instructor.

As a result of your evaluation, the Program Manager will contact you with one of three conclusions:

- A. That our organization is not right for you.
- B. That you may become an assistant teacher (assuming J&Js has a current need.) Schedule a meeting with Manager and an owner.
- C. that we need more time to decide. Please schedule tree more times.

Relax and be yourself:

Please remember to relax and be yourself. We are more interested in seeing *you*, not how much you *know*. There is no Magic. We are energetic, sensitive, caring people who are looking for other energetic, sensitive, and caring people.

Below is a brief explanation of the twelve qualities on which you will be evaluated. Have fun.

1. Your energy level-teaching the J&J way requires a high energy level, a high energy level transfers to the students.
2. Can you create enthusiasm for learning? We are looking for ability to create and excitement for learning.
3. Your promptness.
4. Your attendance.
5. Your friendliness-We need friendly people. Friendliness is one of the qualities most valued by our clients. Also, it is essential for a happy workplace.
6. Are you a self-starter during warmups?-We need people who jump in rather than wait to be told.
7. Are you a self starter during class-We need people jump in on their own initiative.
8. What is the students reaction to you?
9. Do you appear to think like a teacher or a baby sitter?
10. Are you predominantly a positive or negative communicator-predominantly, do you praise desirable behavior or inform of undesirable behavior?
11. Do you learn & use names? We need people who concentrate and learn names.
12. Your technical knowledge of the activity –this is last on the list for a reason. We
